

Balfour Beatty is coming to your community

Drop-in session with Balfour Beatty and the North Wokingham Distributor Road construction team

You are invited to a drop-in session with Balfour Beatty, the council's contractor for the North Wokingham Distributor Road (NWDR).

Join us on the day to discuss upcoming works and longer term plans for West of Old Forest Road section of the NWDR.

WHEN: Friday, 15th

November 2019

TIMING: 5pm – 8pm

WHERE: Emmbrook Village

Hall, Emmbrook Road,

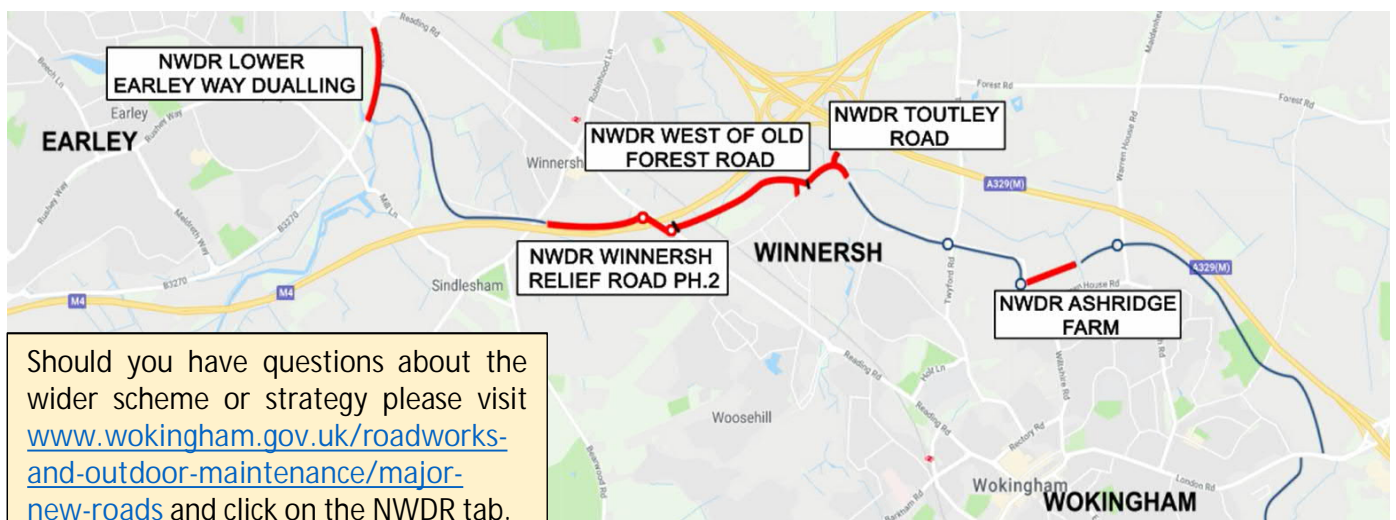

Wokingham, RG41 1JN

Representatives from Balfour Beatty will be available throughout the evening to allow you to share your thoughts and concerns about the way the construction work will be undertaken.

Balfour Beatty is keen to work with the local community to deliver the scheme with as little disruption to their lives as is practicable and this is the opportunity for you to share your thoughts so they can be considered for inclusion in the plans for how the scheme will be constructed. Main construction is planned to start in Spring 2020.

This Balfour Beatty construction team-led session will aim to answer questions on the way the scheme will be built rather than on the general strategy of the network improvements or the route selection.

North Wokingham Strategic Development Location community forum will be taking place on Wednesday 22 January, 7pm-9pm at Emmbrook Senior School where you will have the opportunity to meet and speak with forum representatives.

Bring along a friend, neighbour or anyone you think may want to find out more about the project. To register your interest e-mail NWDR@balfourbeatty.com or telephone 0800 121 4444
